Dear Scouting families,

As we celebrate the 102nd Anniversary of the Boy Scouts of America, we know that through the years we have traveled an incredible journey preparing young people to make ethical and moral choices over their lifetimes.

The key to our success has always been trained leaders, both volunteers and professionals.

In honor of the 102nd Anniversary of the Boy Scouts of America, we would like to invite you, one of our top 102 key volunteers, to attend a conference this summer at the Philmonth Training Center, the National Training Center of the Boy Scouts of America. This opportunity will further prepare you and provide you with confidence to further embrace your leadership position.

Flyers and information available at the Scout Service Centers and on-line at:

If you have specific questions about which conference to register for, please contact your district executive listed below.

With the information you will learn from attending a Philmont Training Center Conference, we know that it will enhance your experience in the coming year and will help us achieve greater results as we engage the youth in the Pacific Harbors Council in the programs of the Boy Scouts of America.

Thank you for being a Key Volunteer!

Sincerely,

Council President

Council Commissioner

Scout Executive
