Work Shop Clinic

November 26th Saturday

8:30am – 4:00pm

Check-in 8:00am-8:30am try not to be late

Clinic consist of a # of events @ Klondike

Cooking-including what patrols should do from start to finish

Pioneering-a number of different lashings as well as building examples. Learn about pulleys, aka block & tackle too.

Orienteering-learn how to map-pace Determine height, width, and direction with a compass.

Knot Gauntlet-learn the 7 basic knots and how to improve your patrol time through the gauntlet.

Just-Do-It-learn how to work with block and tackle how to set up fun stations

Figure-It-Out – We’ll give you the challenge you figure out how to accomplish it with the resources we give you.

What ever else you or we can think of that scouters are in the need to learn to be a well-rounded and knowledgeable Klondike Scouter.

Special class for Patrol Leaders teaching Leadership Klondike Style. Leadership is based in Knowledge Patrol Leaders need Knowledge and organization. Learn to succeed at the stations

Camcode: 900094
