Dear Scout Parent,

Scouting is a wonderful program for your family and we are thrilled you are actively participating. However, did you know it costs the Pacific Harbors Council approximately \$200.00 per year to provide your son with his Scouting experience? This represents the cost of supporting your Scout's program including: conducting recruiting efforts such as School Night for Scouting, training leaders, maintaining camping facilities, providing accident insurance for your Scouts, keeping track of advancement records, maintaining a website for our volunteers, operating two service centers, year-round support from a full-time staff, and much, much, more.

In order to keep Scouting as affordable as possible for everyone, the Pacific Harbors Council must raise these funds from interested individuals, businesses and parents. Although we receive support from the United Way, it is only 2.1% of our annual budget and is not enough to fully fund Scouting in our community.

Your Scout's \$15.00 membership fee supports the national operations of the BSA. The pack/troop fundraising efforts support your unit. Friends of Scouting goes to underwrite the cost of supporting quality Scouting for every Scout in our community. The Pacific Harbors Council makes it possible for over 18,000 young people to be Scouts in Southwestern Washington. Your support is needed and will be appreciated.
Thank-you for anything you can do!

Pacific Harbors Council Summary Budget

**2012 Pacific Harbors Council
