## ADULT STAFF INTEREST FORM

### BUSHMASTER NYLT 2026

Serving, guiding and mentoring our Youth Staff at BUSHMASTER NYLT is an honor and, a position that comes with a great deal of responsibility, respect and knowledge. Adult staffers are chosen from those volunteers who have a passion for guiding our premier youth leaders. Our adult leaders are chosen from the top leaders throughout the Council, which makes the precious few staff positions available to only the **best of the best**. Please only fill out this form if you are willing to devote six months of your year to BUSHMASTER NYLT; meeting every month starting in January 2026 and culminating with a nine-day long course in June. Attendance at all staff developments is **mandatory**. As an adult leader, you may need to spend some time between scheduled Staff Development sessions in order to guide and mentor youth staff in preparation for upcoming events. Although being a part of the BUSHMASTER NYLT staff is a lot of work, it is also full of fun and results in strong friendships and other opportunities throughout the Council. Keep this in mind: We are the leaders training the future leaders, on leadership. **IF** you are contacted for an interview, it will be between July and September. There is no application deadline and submissions will be considered upon receipt, so if you're interested, send us your application as early as possible!
