

CUB SCOUTS FALL ADVENTURES CHALLENGE

Celebrate the beauty of fall with a Cub Scout challenge designed to get Scouts exploring, learning, and enjoying the great outdoors. This program encourages Scouts to build confidence, practice teamwork, and use their creativity through a variety of seasonal outdoor adventures. You don't have to travel far—your own yard, neighborhood, or a nearby park is the perfect place to discover the sights, sounds, and colors of fall.

This challenge runs from October 1 through December 31.

Share your adventures with your den, pack, and family as you explore the changing season and inspire others to experience the fun of fall outdoor adventures.

Complete at least 25 activities from the list to earn your patch. Choose the activities that interest you most and create your own autumn adventure while making lasting memories outdoors!
